

**REMARKS**

Responsive to the Office Action dated June 18, 2007, Applicants have amended the dependency of Claim 95 to depend on Claim 88.

The Examiner has rejected Claims 53, 78, 88-92, 94, 95 and 96-102 based upon non-statutory obviousness-type double patenting in view of U.S. Patent 7,002,660, which is assigned to BAE SYSTEMS plc.

Applicants submit herewith a Terminal Disclaimer. Applicants submit that the Terminal Disclaimer obviates the rejection. Applicants respectfully request the Examiner to withdraw the rejection of the Claims 53, 78, 88-92, 94, 95 and 96-102 pursuant to non-statutory obviousness-type double patenting.

In conclusion, the Applicants believe that the above-identified application is in condition for allowance and respectfully solicits the Examiner to allow the application.

Respectfully submitted,  
  
Paul J. Esatto, Jr.
